Away We Go!

A 16 week Unit for children 18 months – 3 years and a parent/caregiver.

Hop on the train, get in the car, board the plane, and *Away We Go!* This class focuses on transportation, a favourite topic for toddlers who are on the *go, go, go!* Sing and play along with favourite songs, such as “*I’ve Been Workin’ on the Railroad*” and “*Wheels on the Bus*”. Explore the musical concepts of fast and slow, smooth and bumpy, and high and low. Children uncover an engaging musical world while building confidence, self-control, social and communication skills. Singing, imitating sounds, rhyming, and object identification foster language skills, while creative movement develops a sense of balance, timing, and spatial awareness.
