Zoom Buggy!

An 8 week Unit for children newborn - 18 months and a parent/caregiver

Did you know that those airplane sounds you make with a spoon during feeding time are also promoting your baby's language development? *Swoosh, vroom, and clickety-clack* ...there are many opportunities for vocal play in *Zoom Buggy!* - and you'll learn how sounds like this can develop physical, social, cognitive, and emotional skills as well.

Engage in rituals and playful activities such as infant massage, lap bounces, exercise, and quiet time as we explore the theme of getting around. Chug around the room to the song "*Little Red*

Caboose," hold on tightly while "*Riding in the Buggy*," and dance your way to "*Zoom-e-oh!*" So hop into your *Zoom Buggy!*, buckle up, and prepare to launch into a musical world of fun and adventure with your baby!
