Term 1, 2011: 11<sup>th</sup> February – 8<sup>th</sup> April

### Zoo Train!

**an 8-week unit for families (multi-age classroom: newborn – 7 years)**

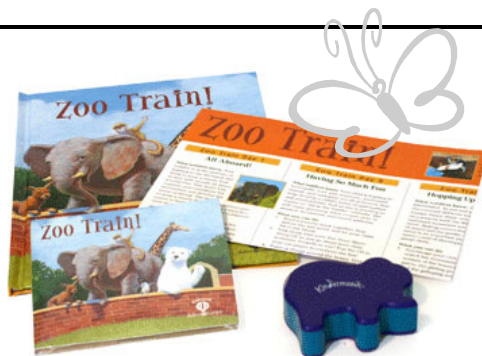

Family Time provides a dynamic and integrated learning experience where each child is welcomed and valued and family “together time” is celebrated and cherished. Jump aboard the *Zoo Train*; bring your own stuffed animal for the petting zoo; wear long white socks on your hands for polar bear paws; and learn about real animals in the zoo. Sing songs in new languages and learn how you can use music to help your children regulate their emotions. We will explore the concepts of steady beat, legato & staccato, timbre, vocal play & more. Parents also learn more about child development and how music improves a child’s ability to think, reason, create, and express. So get ready for a joyful, musical ride with *Zoo Train*!
