Kindermusik Young Child Class Information

Semester 2 2012: 10th July – 7th December

Young Child 1

A 15 week Unit for children 4½ – 6 years old

Parents and siblings join in for the last 10-15 minutes

Young Child provides a group approach to music education. Children will build critical vocal skills and develop a working knowledge of rhythm, notation and musical symbols through singing, listening, games and echoing activities. In this small, movement-oriented class, your child will develop their greatest instrument - the voice - while they learn the symbols and vocabulary of music making. They will also commence learning a keyboard instrument—the glockenspiel—which will be used throughout all 4 Young Child semesters.

Young Child provides a pressure-free developmentally appropriate transition where children can musically succeed before taking on specific instrumental or vocal instruction.
