Term 2, 2012: 17th April - 15th June 2012

Dream Pillow

An 8 week Unit for children newborn - 18 months with a parent/caregiver

The loving interactions that define your baby's bedtime rituals are the inspiration for this unit. Enter the musical world of dreams and lullabies as we explore a variety of dreamy, playful and upbeat activities together. Experience the joy and colour of a maypole dance, a swirling dream cloud dance (*Meet Me Tonight in Dreamland*) and the exuberant and humorous Klezmer recording of *Tants Tants, Yidelekh!* We'll explore a huge range of baby safe instruments including baby bells, shakers, chime balls, clackers, scarves and drums. In addition you and your baby will experience the sound of the slide whistle and resonator bars.

Each activity in *Dream Pillow* is carefully planned to stimulate your baby's developing brain, promoting language, physical, cognitive and emotional growth. So, slip off your shoes, take a deep breath and share the 'I love you' of *Dream Pillow* by saying, playing, listening and singing with your little one.
