Kindermusik Young Child 2 Class Information

Semester 2 2014: commencing 15th July

Young Child Semester 2

A 15 week Unit over 2 terms for children 4½ – 7 years old.

Parents and siblings join in for the last 10-15 minutes.

Young Child 2 provides a group approach to music education. Children will build critical vocal skills and develop a working knowledge of rhythm, notation and musical symbols through singing, listening, games and echoing activities. Continuing from *Young Child 1*, children will explore reading and writing music and even more notes will be introduced on the glockenspiel. Singing, listening, movement and creativity are still the focus of this class as each new musical concept is introduced in so many enjoyable ways to engage all the senses. Join us for the final 10-15 minutes of class where homework is explained and we do an activity together to help you stay in touch with what your child is learning.
